Masterclass

7:00 pm - 9:30 pm URBAN BIODIVERSITY - FROM THE GARDEN IN THE CITY TO THE CITY IN THE GARDEN

Evening Pass

This panel explores Singapore's journey toward urban biodiversity, moving from green spaces to fully integrated nature in the city. Experts discuss challenges, innovations, and strategies for balancing development with ecosystems, highlighting policy and community-led initiatives that foster nature and contribute to creating a resilient, nature-positive urban environment.

Panellists:

Esther An, CSO, City Developments Limited
Prof Veera Sekaran - Researcher & Founder, NUS & Greenology

Moderator: To be announced soon.

Doors open at 7:00 pm for registration, networking, refreshments and finger food. Evening Spotlight will start at 7:30pm sharp.
